# COME JOIN THE TEAM!

Court reporters — also known as certified shorthand reporters (CSRs) — are highly trained, licensed professionals who transcribe spoken words using a stenotype machine in a wide variety of settings – not just in court.

CSRs fill a critical role in the justice system: They provide verbatim transcripts of judicial proceedings and ensure that nothing compromises their accuracy. Court reporters are present in court hearings, trials, and other litigation related sessions such as depositions. But opportunities in this field go beyond the courtroom.
