## THE POSITION

---

The Executive Director (ED) of HTDC serves as its visionary, strategic, and operational leader who is responsible for understanding and leveraging the rights, duties, and resources provided to HTDC under Chapter 206M. The ED is accountable to the nine-member Board of Directors and oversees the envisioning, planning, organization, coordination, direction, review, redirection, and reporting of the corporation's activities. In addition, the ED will:

- » Oversee a multi-million-dollar annual budget and a team of 10 plus direct reports.
- » Be visionary and proactively identify, develop, and implement innovative initiatives and programs to build a high technology industry in Hawai'i that fits the local culture and community.
- » Work with a variety of companies, ranging from startups to large, established institutions.
- » Extensive interaction with State and Federal legislators, executives, and various governmental departments.
- » Promote and obtain funding for various programs and initiatives.

## THE IDEAL CANDIDATE

---

HTDC is looking for a strategic and innovative leader with an entrepreneurial mindset and experience or knowledge of policies, procedures, and regulations that impact government agencies. This dynamic individual will have exceptional communication skills, strong attention to detail, and the ability to identify technical trends that influence investment, strategy, and organizational direction. The ideal candidate will have experience in providing effective leadership to a cross-functional team and will:

- » Have a bachelor's degree from a four-year accredited college in one of the following fields: business administration, public administration, economics, accounting, banking and finance, planning, engineering (any field), or any of the physical or natural sciences.
- » Exude drive and a commitment to excellence, demonstrating personal qualifications including integrity, initiative, dependability, good judgment, and accountability for both self and the entire team.
- » Secure and manage multi-million-dollar annual budgets.
- » Establish and maintain cooperative relations with state, federal, and local agencies.
- » Effectively present HTDC initiatives/proposals before the Board of Directors, Governor, Legislature, local government, state boards and commissions, various state agencies and the public.
- » Think critically and make sound decisions quickly while maintaining a high level of accuracy and attention to detail. Maintain a positive, proactive attitude and ability to adapt to changing circumstances.
