About Us

Incorporated in 1890, the City of Oklahoma City is a charter city and has had a Council-Manager form of government since 1927. The Mayor, elected at-large, leads a Council of eight members, each elected by ward. The Mayor and Council set overall policy and strategic priorities for the organization.

Historically, Oklahoma City's economic base has been closely tied to the energy and agricultural markets. Today, the City's economic base is more diversified and seeing growth in the health and technology industries.

Oklahoma City is the 20th largest city in the nation. The City of Oklahoma City serves approximately 712,919 residents in a 621 square mile area.

The largest employers in the metropolitan area include the State of Oklahoma, the City of Oklahoma City, Tinker Air Force Base, and the University of Oklahoma. Companies with headquarters here include American Fidelity Assurance Company, BancFirst, Expand Energy, Continental Resources, Devon Energy, Express Personnel, Hobby Lobby Stores, Love's Travel Stops & Country Stores, OG&E Energy, MidFirst Bank, Paycom and Sonic Corporation.

Vital among the City's assets are ample water supplies and its central location. Interstate highways I-35 North/South, I-40 East/West and I-44 Northeast/Southwest converge in Oklahoma City and provide transportation links to the rest of the nation. The I-40 Crosstown

CITY DEPARTMENTS

Twenty-two (22) City departments provide a wide array of municipal services and programs. Additionally, municipal trusts play a significant role in the operations of major facilities and services.

Expressway relocation, which opened in 2013, allows faster travel by incorporating 10 lanes of traffic. These ground transportation routes, together with the OKC Will Rogers International Airport, make the City a regional transportation hub.

Local performing arts groups such as the Oklahoma City Philharmonic, Lyric Theater, and Ballet Oklahoma contribute to the City's cultural environment. The Oklahoma State Fair, Red Earth Festival, and the Festival of the Arts attract hundreds of thousands of visitors each year.

Other popular attractions are the First Americans Museum, National Cowboy and Western Heritage Museum, Oklahoma City Museum of Art, Oklahoma City National Memorial, Oklahoma History Center, and National Softball Hall of Fame.

Our NBA team, the Oklahoma City Thunder, competes in the National Basketball Association as a member of the league's Western Conference Northwest Division and won the 2025 NBA Championship.

The City has been the site of numerous Big XII championships in basketball, baseball, and softball and has hosted the opening rounds of the NCAA basketball tournament, the Wrestling Championships and the Women's College World Series. Our USL PRO (minor league soccer) team, Energy FC, is the affiliate of the Major League Soccer Sporting KC.

In December 2009, citizens approved MAPS 3, a seven-year, nine-month tax to fund eight new projects in the metro area. These include a 70-acre central park, a new rail-based streetcar system, a new downtown convention center, sidewalks throughout the city, 57 miles of new bicycle and walking trails, improvements along the Oklahoma River, health and wellness aquatic centers for seniors, and improvements to the fairgrounds.

In May 2016, the \$45.3 million RIVERSPORT Rapids center opened to provide whitewater rafting and kayaking on an 11-acre facility adjacent to the Oklahoma River. The Center features world class rapids for elite athletes as well as recreational level opportunities for families.

The City was designated as the U.S. Olympics Training Site for canoes, kayaks and rowing in July 2009 and hosted the U.S. Olympic trials for those sports in 2016 at the new RIVERSPORT Rapids center and the Oklahoma River. The Oklahoma River is the only river to have received this coveted designation and is being transformed into a world class competitive and recreation center.

In January 2016, the City entered into an agreement with the State of Oklahoma and the Chickasaw Nation to complete the First Americans Museum (FAM) along the Oklahoma River. The Center opened in September of 2021 and provides 85 acres of park space, with walking trails and interpretive art, and serves as a venue for native performers and educational exhibits.

We're proud to be recognized by Forbes as #20 on the list of America's Best Employers by State (2025)—and even prouder of the people who make that possible.

In addition to the beautiful FAM museum, the OKANA Indoor Waterpark and Resort opened in the Summer of 2025. We are taking the fun and amenities to the next level as we have been confirmed to host two events for the 2028 Los Angeles Olympics: softball and canoe slalom.

In September 2017, citizens approved the Better Streets, Safer City General Obligation Bond and a sales tax measure. The General Obligation Bond is a 10-year, \$967 million program (including \$135 million for parks, \$536 million for streets, bridges, sidewalks and traffic control), and a permanent ¼ cent sales tax for more police officers, more firefighters and day-to-day operations. The temporary penny sales tax took effect January 1, 2018, after the MAPS 3 tax expired. Sales tax collected over the 27 months was \$264,584,295 and to date with interest the board allocated \$263,676,528 million toward projects.

In December 2019, citizens approved MAPS 4, a debt-free public improvement program funded by a temporary penny sales tax that will raise a projected \$978 million over eight years. MAPS 4 keeps

Oklahoma City's sales tax rate unchanged. The sales tax took effect on April 1 when the Better Streets, Safer City temporary sales tax expired. More than 70 percent of MAPS 4 funding is dedicated to neighborhood and human needs. The rest is for quality of life and job-creating initiatives. For detailed information about MAPS 4 go to:

In December 2023, citizens approved an extension of a one-cent sales tax for another 72-months to pay for new state-of-art NBA arena for Oklahoma City Thunder Basketball Team. This investment will secure the teams commitment to Oklahoma City through 2050.
